

HPA Fundraising Greeting Cards

Last year, art created by students of each grade was made into greeting cards and sold by the students. Each class created its design to be featured as the border of a card, and Bible verses were hand-lettered by Highlander graduate, Kate Lilly. These make adorable gifts and/or stocking stuffers for friends and family, and HPA has backstock available for purchase!

- Price per pack (15 cards): one for \$10, two for \$15, three for \$20. For orders over three, add \$5 per package.
- All proceeds benefit the Highlander Parent Association.
- You may order the following ways:
 - On the Parent Portal at www.highlanderschool.com, > Parent Involvement Tab > Parent Login (password: parent)
 - Or, turn in this form with cash or check to the school mailbox, made payable to HPA.
